Thanks to the experience gained with Storti previous feed mixer wagons (such as Alano, Boxer, Bulldog, Labrador, Husky) we can now introduce you to DOGO, our newborn, which thanks to its many innovations is designed to improve your productivity. The newly designed silage cutter, together with several innovations of the feed mixer wagon, drive

its performance to the top. Easy to handle thanks to its compact dimensions, making it suitable also for stables with height limits. Thanks to new larger capacities, this horizontal 3-auger feed mixer wagon becomes an interesting option to achieve better performances.
